A BILL FOR

1 AN ACT concerning finance.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Procurement Code is amended by
5 changing Section 25-15 as follows:

6 (30 ILCS 500/25-15)

7 Sec. 25-15. Method of source selection.

8 (a) Competitive sealed bidding. Except as provided in
9 subsection (b) and Sections 20-20, 20-25, and 20-30, all State
10 contracts for supplies and services shall be awarded by
11 competitive sealed bidding in accordance with Section 20-10.

12 (b) Other methods.

13 (1) Multiple award. The Department of Central
14 Management Services may establish various indefinite
15 quantity, indefinite delivery master contracts for
16 supplies and services with award to multiple vendors for
17 the same supply or service. These master contracts shall be
18 established through a competitive process designed to
19 ensure vendors are qualified to provide the supply or
20 service, are responsible, agree to State contracting
21 requirements, and have competitive pricing.

22 When there is a need for the supply or service, the
23 Department shall enter into competitive negotiations with

1 at least 3 qualified contracted vendors to obtain the
2 needed supply or service. The Department may authorize the
3 State agency needing the supply or service to conduct the
4 negotiations. The Department shall publish in the Illinois
5 Procurement Bulletin a notice of award at least 2 weeks
6 prior to signing the contract, and if the low cost vendor
7 is not selected the notice must detail the reasons why the
8 higher cost vendor was selected. The Department may
9 promulgate rules further defining this procurement
10 technique.

11 (2) Competitive alternatives. The chief procurement
12 officer may establish by rule (i) categories of purchases,
13 including non-governmental joint purchases, that may be
14 made without competitive sealed bidding and (ii) the most
15 competitive alternate method of source selection that
16 shall be used for each category of purchase.
